#### STRIKE MALADY

It is possible to add to established optimism by regording conditions as they are at the moment in the light of a sickness. There have been the symptons, then the outbreak leading either deed "a train of fifteen-cars and to a crisis or a quick suppression; only one passenger." No fewer and in the case of the former to I than three hundred and thirtyconvalescence and recovery. This view indicates that a resumption of normal paid to the author of this literary Hongkong life is merely a matter of time. This being so the con- thing of interest in these pages, tinuation of marking time in and if only on that account, and strict measure, if it needs not to be urged, can lose nothing by being emphasised. The community has been given a distinct, direct and clear lead by H. E. the Governor. For this let us give due credit. In addition the recognised leading foreign firms and institutions have nobly rid- devoted to him and of these 22 den the storm. No praise can begin. be too lavish in commenting on shall." His job is not exactly the arangements so promptly in- himself from his duties without iated and so efficiently maintain- the permission of the Superintened. It is in the main due to this dent and—and this seems terrible of food — that the spirit of restrain by his authority every art of war and be ready to fight a most efficient police force, at to which has to be added the son officers, and likewise every select lecturers to arouse the peo- of blue ackets and marines from knowledge that the Colony has tendency to levity, rudeness and ple and soldiers. the ships of the interested powers had a pistol placed at its head verted to Canton and to the no case to answer and nothing govern the working of other Gov- afternoon.

sul there has won commendation by its absolute fearlessness and its insistence on the truth. Bloodshed is to be deplored but those who resort to it must expect reprisals. All this but skims the cream of the present situation behind which the evil of antiforeignism backed by the worst forces of Bolshevism lurk. The simile of sickness suffices for the time being. The disease has spread, but the doctors have the case well in hand and the time seems rapidly drawing in sight when the patient arriving at convalescence will sit up and take circulate in the Colony. --n'urishment—of common sense.

#### NOT RIOTERS

#### WORKERS UNDER POLICE SUPPLY EXCEEDS DEMAND

PROTECTION

In spite of the fact that the "Empress of Asia" has had to call upon the services of schoolboys and masters in their mendeavour to get it out of the harbour and on the Vancouver run to-day, it would appear that there are many

qualified Chinese who are willing

to act us stokers, etc., if they are

guaranteed protection. This is apparent from the response to an appeal made through the police for stokers for launches which have been affected. Many more applications were received? than there were places and those who were engaged have given complete satisfaction.

Dock hands to replace those out on strike have been provided in abundance (also through the agency of the police) and the services of other skilled men and coolies can be obtained by firms in need who make application.

This morning a crowd of Chinese coolies and other workmen basey beat Gordon Lowe 9-7,8-6, was to be seen outside the C. I. D. 3-4. In the third round the Bel-Office and these, it appears, were gian champion, Washer, beat the Chinese who had volunteered for South African, Sherwell 6-0, 6-3, service in any capacity provided 6-1. Thus a British trio went protection" was given.

The crowds observed under the slaught. superintendence of police guards yesterday and this morning gave rise to alarmed queries as to whether they might not be mobs arrested in the course of demonstrations but they are merely workers to the net; he lobbed effectively under the protection they have asked for.

#### LINER'S CREW

The trip to Vancouver on the s.s. "Empress of Asia" will be a memorable one from the point of view of the passengers and many of the crew. The schools or colleges in the

Colony having been closed in view of recent developments in China, many of the masters volunteered for service on the Empress boat. They have signed on in some cases for the most menial tasks. A Hongkong University professor is said to be among the galley

Schoolboys are discharging less arduous tasks of stewards. The Empress, it is hoped, will leave at noon to-day.

A report from Bombay states that Japanese exporters are buying heavy stocks of cotton on the strength of Press reports that Japan is preparing for war against China and is ready to sacrifice her Chinese markets by amassing enough cotton to tide over the nie 229. period of hostilities. It-is also significant that there is a great demand from the Far East for a -certain type of manganese used in the manufacture of munitions.

NOTICE. EMERGENCY DISPOSAL

OF NIGHT SOIL. In the event of a strike of nightsoil-coolies the following information as to disposal of nightsoilwhen water closets are not available is issued to the Public.

(1) In private gardens nightsoil can be disposed of by burying at a depth of two feet. Care should be taken to avoid polluting a catchment area and to avoid the lines of rainsform scours.

(2) Sewer manholes at convenient positions throughout the Colony will be opened from 5-30 to 7-30 a.m. each day for the reception of night. Such manholes have been marked with red paint. Mo manholes will be opened on the Peak.

(3) Nightsoil may be dumped over sea walls except in Causeway Bay and the Harbour of Refuge.

(4) In Happy Valley, owing to the absence of suitable manholes, nightsoil should be buried. With regard to areas available for the purpose enquiry should be made at the? Eastern District Sanitary Office, Wanchai, Telephone No. Central 3218.

Any person wishing for further information should apply to
